Forwards for favorable Consideration a represent.n of P.V. Srinivasa Murthy, I.W.I for the grant of D.A admissible to an Exam clerk for the ~~months~~ period ~~eighteen~~ he acted as I.W.I.

NOTES AND ORDERS.

The claims of D.A of the Officials in question were Submitted to Govt. for Sanction in Sept 1912 and Sanction of Govt had to be given as a Special Case under

two circumstances, viz (1) for preferring the claim after one year and (2) on account of his discharging one duty while he bore a different designation. The first defect had to be Sanctioned under Art 5, C.A.C. though the delay was not properly explained and the second though inadmissible in a Financial point of view.

2) The present representation is for ~~Executive~~ according him Special treatment under a third Circumstance, viz to give him the I.A of the Excise clerk while for the whole period he was designated Inspector Sub Master.

3) The I.A of the two appointments referred

to are regulated in two different ways, viz (1) that of the Excise clerk, under the ordinary rules of M.S.R and (2) that of J. W. Mandy under the Special Act 575 Note (1) M.S.R

4. According to the Ordinary rules, an Official is entitled to (1) D.A, 3/10th of pay, (2) mileage 4 annas, and (3) Railway journey double fare. According to note 1 of 575, the Official gets (1) D.A 3/10th of pay, (2) mileage 1½ annas and (3) Railway journey, double fare.

5. Thus the D.A claim of the Official is only different from what is already passed by the Comptr as regards mileage. In this connection it may be stated that ordinarily an Official

whether an Excise clerk or Irug" wells master, is only entitled for daily allow" when he travelly is out of Hd Qrs beyond a radius of 5 miles and keeps within 20 miles. Thus as a rule, neither of the men referred to is entitled for mileage for less than 20 miles and the cases of over 20 miles, if any may be very few in the present Case and Special circumstances to have to be put forth to enable mileage being given -

6. From the represent- it is not clear what actually is the difference and a general represent to give him the D. A differ- from what is passed may not enable for- to form a definite opinion of the Case Viewing it

generally as under the rules as explained above, there does not seem to be great hardship to the Offr. in the D.A already passed.

7.) Moreover the pay of the Excise clerk is Rs 15 and that of the D.O Master Rs 20. When the Official is benefitted as regards pay and has received the D.A admissible to that office though slightly less as represented for the prayer there is another peculiarity that the Official wants the DA on Rs 20/- and mileage on Rs 15/-, if the pay is taken into account!

8.) Under the circumstances, there does not seem to be sufficient reason to reopen a question which is already decided on its merits

No 112 Dt 9.10.13

To

J.S.Chakravarti Esq., M.A.,F.R.A.S., Etc.,
Financial Secretary, to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Dt 2145
S/A 246-13

Through

P.F.Bowring, Esq.,
Deputy Commissioner
Kolar District.

Most Respected Sir,

With due respect and humble submission, I beg leave to bring the following lines to your generous consideration:-

2. I was a clerk in the District Excise Office, Kolar District, on Rs.15/- and was appointed with effect from 23-5-10 to act as Irrigation Wells Maistry, on a temporary promotion till 6-9-11, but was ordered to continue to work in the Excise Department by the then Deputy Commissioner, Mr.C.Srikantesvara Aiyar, in his memo No.7603-04 dated 17-5-10. While in the Excise Office, I was ordered by the District Excise Officer to follow him to camp for Suhavani and camp work, which orders I implicitly obeyed. On the submission of my Travelling Allowance bills to the Comptroller through the Excise Department, they were returned by the Excise Commissioner without countersignature on the ground that my Travelling Allowance had to be debited to the same head as my pay.

3. Mr.P.F.Bowring, the present Deputy Commissioner, after taking all my grievances into his generous heart, was graciously pleased to forward the bills to you with his letter No.6868/331 dated 23-4-12, for sanction of the Government to the full Travelling Allowance claimed by me.The circumstances under which it was thought necessary to allow me to work in the Excise Office have been fully set forth in that letter.

4. In accordance with your letter No.Fl.43/S&A.541-11 dated 5-7-12, in reply to the above communication of the Deputy Commissioner, my bills were forwarded to the Controller with the

the countersignature of the Deputy Commissioner for the full amount claimed by me, for audit.As there were no specific orders as to how my claim should be treated, the Comptroller while auditing the bills treated me as Irrigation Wells Maistry doing duties as such and allowed me only the rates of mileage etc., specially recognised for that class of officials and disallowed nearly half of my claim under note 1 to Art.575 M.S.R., which deprives me of more than 125 Rupees out of the amount claimed.

5. Although the Art.575 is meant to restrict the claims of an Irrigation Wells Maistry who is in receipt of the Horse Allowance, yet it is not applicable to my humble case, as I was only working in the Excise Department as a clerk, without drawing any permanent monthly Allowance and without actually doing the executive duties of an Irrigation Wells Maistry.

6. The rates at which I have claimed mywactual expenses for Road journeys both below and above 20 miles are far lower than those claimed by the officials of other departments and allowed to them by the Comptroller, my claim being generally at 1½ as.a mile and at 2to3 as. in a very few cases of emergency. I beg to urge that the original amount claimed by me was only what I actually spent for the due discharge of Government work and no portion of it was claimed as a source of profit.The Officer with whom I travelled has certified on the original bills that the amounts claimed therein do not exceed my actual expenses.

7. All this misfortune was due to my designation as Irrigation Wells Maistry which was only for name's sake, as any other designation of the same pay would have fetched me the whole amount of my claim.Even if I had remained as Excise clerk without this temporary promotion, and my bills had been submitted through the Excise Department, the bulk of the amount I had claimed would have been sanctioned.In this connection I beg that my Travelling Allowance bill for May 1910 in which I claimed travelling allowance for the first 22 days as Excise Clerk and for the remaining period as Irrigation Wells Maistry may kindly be referred to.

3

8. Under the above circumstances and in consideration of the heavy responsibilities that devolved on me in the Excise Office, which are fully explained in the Deputy Commissioner's letter referred to above, I most humbly beg that I may be exempted from the operation of Art.575 M.S.R., and orders of the Government kindly obtained to reclaim the disallowed amount under Art.591 (ii) M.S.R. on supplemental bills and thus the benevolence of Government expressed, regarding the recognition of claims for arrears of allowances etc., in their Order No.Fl.3778-823/S&A.12-11-59 dated 12th March 1912, kindly extended to the humble case of this poor subordinate.

9. For this act of kindness I shall ever be grateful.

I beg to remain,

Most Respected Sir,

your most obedient and humble servant,

Kolar,
20th Oct.13.
